LYING CIRCULAR TO TEACHERS

False Accounts of High Wages Paid Teachers -A Fee Exacted for Enrolling Their Names -Federal Grand Jury Investigating.

Boiss Cirr, Idaho, Dec. 22.- [Special States grand juay had under their official notice the affairs of an organization started here last winter and known as the NORTHWESTERN BUREAU OF EDUCATION,

in which a former principal of Boise City public schools, Fred Luceau Squiers, Superintendent of Public Instruction Harrouns and State Auditor Silas W. Moody were chief actors. It is alleged that this bureau has had advertisements in leading papers in the south and southwest portions of the United States calling the special attention of teachers to the favorable field Idaho af-forded for them and sending out circulars stating that teachers were in great demand in Idabo; that teachers were in great demand in Idabo; that wages were bigh, ranging from \$75 to \$200 a month, and that teachers who sent in a membership fee of \$3 would become members; their names would be placed on the list and efforts made to secure lucrative positions in which they were to pay the bureau in addition to the membership fee 10 per cent of the first year's salary. of the first year's salary.
